

S2 English
2020 - 2021

Materials

For each English lesson, pupils will need :

- A soft A4 ringbinder, any colour
- Some clear plastic pockets
- Some A4 lined paper
- A pencil case with the usual contents :
 - A four-colour (red, blue, green and black) ballpoint pen ;
 - A pencil, a pencil sharpener and an eraser ;
 - Some correction tape (no Tippex bottles or pens due to risk of spillages) ;
 - A small ruler ;
 - Some highlighter pens ;
 - A glue stick and a pair of scissors.
- The reading material required for that lesson (see below). The teacher will inform the students in advance when they must bring the novel to class.

 Pupils need not bring the entire reading list with them on their first day at school in September !

Book List

S2 pupils will study a wide variety of fiction and non-fiction texts, including novels, poetry, plays, traditional tales, short stories, press articles and diary extracts. Whenever possible, pupils will be provided with print-outs to study. Some works, however, are simply not in the public domain, or are too long to be printed out and distributed.

Below are the works which must be purchased. Please take care to order the editions requested below, so that students are – literally – on the same page in class.

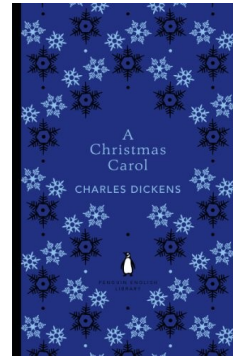

A Christmas Carol

Author : Dickens, Charles

Publisher : The Penguin English Library
