

**S6 English**  
**2020 - 2021**

In S6, students begin to prepare the European Baccalaureate. This two-year cycle is demanding and therefore requires significant personal organisation in order to cope with the challenges of the work. It is essential that students come to each lesson with :

- A homework diary
- A hard A4 ringbinder
- Some clear plastic pockets
- Some A4 lined paper
- A pencil case with the usual contents :
  - A four-colour (red, blue, green and black) ballpoint pen ;
  - A pencil, a pencil sharpener and an eraser ;
  - Some correction tape (no Tippex bottles or pens due to risk of spillages) ;
  - A small ruler ;
  - Some highlighter pens ;
  - A glue stick and a pair of scissors ;
  - A mini-stapler and staples
- A USB stick
- The reading material required for that lesson (see below)

The theme of the works to be studied over this two-year cycle is « **The Power of Love** ». Four set texts have been selected by the network of European Schools for detailed study. It is strongly advised that students obtain the edition mentioned below.
